

PRODUCT INFORMATION SHEET

D-LIMONENE

PRODUCT DESCRIPTION

D-Limonene is a highly effective citrus based solvent with a wide variety of uses including the removal of stains, paints, glues, sticky residues, grease and other various materials from a wide variety of hard surfaces including bricks, steel tiles and fabrics. D-Limonene is highly concentrated and has a distinct orange peel scent and is usually derived from natural sources.

DIRECTIONS FOR USE

General Hard Surfaces: Use neat and apply to surface, allow short time to soak in and brush/wipe to remove staining.

Fabrics: Use via a spray bottle, massage into fabric to remove stain and then wash well with a detergent to remove the solvent once cleaned. Avoid leaving excess solvent on materials as damage may occur.

FIRST AID & SAFETY

Class 3: Risk Flammable

Considered a hazardous product. Avoid contact with eyes and do not use around ignition sources and naked flames. Wear gloves and eye protection when handling. Keep out of reach of children. If swallowed seek medical advice. If poisoning occurs contact a Doctor or the Poisons Information Centre. If swallowed do NOT induce vomiting, give water. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor.
