

PRODUCT INFORMATION SHEET NOWCHEM GREEN

LIQUID LAUNDRY

PRODUCT DESCRIPTION

Nowchem Green Liquid Laundry is a highly concentrated detergent suitable for both top load and front loader washing machines. This liquid replaces older alkaline/phosphate based systems which can cause damage to your machine and associated seals and pumps and also can be irritating to sensitive skin types. Made using the latest technology available in ingredients this product is not only sourced from plant based materials but also is safer to store and use.

DIRECTIONS FOR USE

Add 60-100ml of liquid per load in front loader machines

Add 125-200ml of liquid in top load machines

Note: dosage will vary on machine and load size and soiling.*

FIRST AID & SAFETY

Avoid contact with skin and eyes. Wear protective gloves and eye protection when handling undiluted. Do not mix with other chemicals. Ensure PPE is worn during drum changeovers on dosing equipment in case of splashing. If poisoning occurs contact a Doctor or the Poisons Information Centre. If swallowed do NOT induce vomiting, give water. If skin contact occurs wash affected area and remove clothing. If in eyes, hold eyes open and flood with water for a minimum of 15 minutes. Call a Doctor. **Refer to Safety Data Sheet for more information.**
