

PRODUCT INFORMATION SHEET

SOLVENT B1

PRODUCT DESCRIPTION

Solvent B1 is a solvent based oil and grease remover suitable for all areas of heavy and light industry where flammable degreasers are permitted. The product is highly effective in dissolving light grease and oil and is easily washed off to leave a clean surface. Can be used as a parts cleaning solvent for cleaning automobile brakes.

DIRECTIONS FOR USE

Brush, spray or wipe onto surface. Allow to soak for 2-5 minutes and hose off. For very dirty surfaces a repeat application may be necessary.

For brake parts: Brush or rub on, wipe clean or hose off after 5 minutes.

Ensure waste products is disposed of as per council guidelines. Chemicals should NOT be allowed to enter storm water systems.

FIRST AID & SAFETY

Class 3 Risk: Flammable

Considered a hazardous product. Avoid contact with skin and eyes. Wear gloves and eye protection when handling. Keep out of reach of children. If swallowed seek medical advice.
