

PRODUCT INFORMATION SHEET

NON-SLIP

PRODUCT DESCRIPTION

Non-Slip is a hard floor cleaner and maintainer that can be used on tile areas in kitchens, bathrooms, foyers and other common areas. Non-Slip is a high performance degreasing detergent to remove slippery oils, fats and food spillages in commercial kitchens, bar areas and common areas in food service applications. Non Slip works better with warm / hot water to aid in the removal of fats and grease from surfaces. Non-Slip contains a very light pine fragrance to reduce odours.

DIRECTIONS FOR USE

Machine Areas & light duties: Dilute 20mls per 1L of hot /warmwater

Medium to heavy soiling: Dilute 50mls per 1L of hot/warm water

Heavy Grease and grime: test a lower dilution on an inconspicuous area or contact your sales technician.

If using on glass or aluminium, please use at higher dilution rates and test on small areas prior to ensure etching does not occur. Do not use on timber or highly polished floors and tiles and do not apply to Vinyl floors with sealers as the sealer may be damaged.

FIRST AID & SAFETY

Considered a hazardous product as product can irritate eyes. Use caution or wear eye protection when handling neat undiluted product. Keep out of reach of children. If swallowed seek medical advice, do NOT induce vomiting, give water. If skin irritation occurs wash affected area with fresh water and remove clothing.
