

PRODUCT INFORMATION SHEET

SPICED APPLE BATHROOM CLEANER

PRODUCT DESCRIPTION

Spiced Apple Bathroom Cleaner is a powerful combination of acid based cleaners for cleaning washrooms and urinals. This product contains a special blend of acids and can be used on showers, tiles, basins, toilets and urinals. Spiced Apple Bathroom Cleaner is also a great remover of calcium and is excellent at removing white calcium stains on glass and tiles. This product in conjunction with our deodorisers and urinal screens will leave your washrooms and amenities smelling clean and fresh. Please ask about the kits and additional air freshening products to compliment this great innovative system.

DIRECTIONS FOR USE

Acid Cleaners are designed to remove mineral scale and build up in washrooms, toilets and urinals.

Toilets and Urinals—Initial clean use undiluted with toilet brush or white eager beaver pad (higher grades will scratch). For ongoing cleaning dilute using chamber bottle 20mls to 1L of water and use this solution for cleaning. For best results use in conjunction with Mango Urinal Screens (code: ultra-tm)

Showers & Washrooms—Initial clean to remove water and mineral scale build up dilute 50mls per 1L of water and apply with white pad. **DO NOT USE ON PAINTED SURFACES** as the acid will leave streak marks on the paint. For general cleaning of body fats and soap scum use in conjunction with Crown X.

General Floors/Tiles—Use 100ml in 6L of water in the mop bucket. The acid effect on the tiles will leave the surface clean and fresh.
