Delivery ETA's

Estimated delivery dates will be advised at the time of order placement, or in an order confirmation.

Delivery within local areas on Nowchem owned/operated transport will be carried out within 3-5 working days if the product is in stock, or pre-prepared at the time of order receipt.

Chemical pump-outs conducted by Nowchem staff will be completed as per date advised by the Customer Service Team, these may not fall on the normal delivery days due to scheduling and logistics involved in these orders.

Nowchem Local Transport:

Nowchem operates its own fleet of vehicles and provides a local delivery service for customers from the Northern Illawarra Suburbs to Bawley Point NSW. The minimum order value for this delivery service is \$200 otherwise a small order surcharge of \$20 applies, including where a Nowchem Sales Rep delivers on behalf of Nowchem.

Nowchem delivers North of Bomaderry Mondays and Thursdays and South of South Nowra on Tuesdays and Fridays. Local deliveries are usually conducted 3 times per week.

Customers located in the Southern Highland regions have a minimum order value of \$400 otherwise a \$35 delivery charge applies. Deliveries occur on Wednesdays only.

Schedule subject to change*

Nowchem endeavours to maintain a regular delivery schedule, however conditions are subject to change including long weekends/public holidays, road closures, vehicle breakdown and driver availability. Any variations to Nowchem Transport delivery schedules will be communicated to our customers at the time of order placement.
